## WOMAN'S WORK FOR WOMAN.

### MRS. GERTRUDE W. SNYDER.

We are sure Dr. Snyder's hosts of warm friends will look with deep inter-

est on the exceptionally fine face of this brave woman, who goes to the heart of Africa with him to share his life of toil and isolation. She is the daughter of Mrs. E. B. Wood, of Brooklyn, N. Y., and they were married in the Classon-avenue Presbyterian Church of that city, Tuesday evening, October 10th.

Miss Wood was admirably equipped for her missionary labors by an extended experience as a hospital nurse in Brooklyn. She appears in her dress as such a nurse in the picture above.

Soon after these pages shall be in the reader's hands, Dr. and Mrs. Snyder will be on their way to Africa, via London. They will be accompanied by Mrs. Sheppard, also returning to the Congo Mission. Mrs. Sheppard, in passing through Nashville, made an interesting talk to the ladies in Moore Memorial Church. Many prayers will follow these friends to their distant home.
